

Instructions for Applying to Art Education

Final Deadline: June 1, 2020 @ 4:30 p.m.

Applying to the Art Education program is a two step process. The first step is submitting an online application. This step may be completed at any point during the application period, ideally as soon as the applicant decides to apply for admission to the Art Education program. The second step involves developing and submitting hard copies of application materials, which are detailed below. Students *do not* need to have all hard copy application materials ready to submit before completing the online portion. In fact, we encourage students to complete the online application portion as early as possible! Both steps must be completed by June 1, 2020, at 4:30 p.m. for consideration.

Completed applications received before the deadline will be reviewed on a rolling basis. Education Academic Services will collect, process, and deliver all eligible applications to the Art Education program coordinator for review. Applications will be considered on a "space permitting" admission basis after offers of admission are extended to applicants who applied by the deadline.

Prospective applicants are strongly encouraged to meet with an Education Academic Services/Office of Undergraduate Recruitment and Retention advisor. Phone 608-262-1651 or visit Room 139 Education Building (on Bascom Hill) to make an appointment. Students who are applying as prospective transfers to UW-Madison are also strongly encouraged to meet with an EAS/OURR advisor, either in person or via phone.

Questions about the application itself may be directed to soeadmissions@education.wisc.edu; we will try to respond within 24 hours.

Questions about the Art Education program can be directed to Dr. Mary Hoefflerle, Art Education Program Coordinator hoefflerle@wisc.edu.

In recent years the Art Education program has been able to accommodate all qualified applicants; however, if the number of qualified applicants to art education exceeds program resources, admission will become limited and competitive. Obtaining or exceeding the minimum eligibility criteria does not guarantee admission. Applicants should carefully review the program admission information available in the [Guide](#).

Applicants not currently enrolled on the UW-Madison campus must also submit an application to the [Office of Admissions and Recruitment](#) by the Fall 2020 deadline to be eligible for this program.

Instructions for Applying to Art Education

Final Deadline: June 1, 2020 @ 4:30 p.m.

Off-Campus Transcripts. Any coursework completed at other institutions is reviewed as part of the application process for the Art Education program. To determine whether it is necessary to submit a transcript, consult the following guidance:

Current UW-Madison students who have transferred credits from another college or university to UW-Madison *before January 21, 2020*, must indicate any previous institution(s) attended on their on-line application. However, these students do not need to submit official transcripts as long as the relevant transcripts have already been evaluated by UW-Madison's Office of Admissions and the appropriate transfer credit has been posted.

Current UW-Madison students who submit transcripts for transfer coursework to the Office of Admissions *after January 21, 2020* must also submit official copies of these transcripts to the School of Education with their other hard copy application materials. Students are encouraged to consult their academic advisor with questions about the status of transfer credit.

Prospective transfer students who are also applying to UW-Madison for admission must submit separate official transcripts to the School of Education as part of their program application. Applying to a program in the School of Education and to the UW-Madison campus are completely separate processes; both must be completed.
